Hi Dan – Thank you for this info. I am including Joe, since he has also had conversations with Doug regarding a health study at Anaconda and want to see if he has any additional points to add for Doug.

I'm assuming Doug would like to have the call with Dr. Breyse as soon as possible, but has he provided a date to anyone?

Thanks

Attached is some draft background information for Doug prior to his call with Dr. Breyse (Director of ATSDR) regarding Anaconda Exposure Assessment. I have worked this thru ATSDR once, but we are still trying to resolve a couple issues. This is just an FYI of what is coming.
